WHO WE ARE?

*MG Services Janitorial provides **professional cleaning services in Washington** and surrounding areas.*

When it comes to running your business, the vendors you hire reflect on you. If you're tired of replacing your janitorial service company due to their complacency or lack of follow-through, it's time to go with the team that believes that a job isn't done until it's done right. At MG services, we provide the expertise, professionalism and ownership to deliver exceptional results you can depend on day and night. For many years, we've been dedicated to providing only the highest standards of cleaning services for

OUR METHOD

INDEPENDENTLY OWNED & OPERATED

As an independently owned and operated local company, A Cleaning Service is able to maintain high standards of quality for VA and MD cleaning services, unlike most national franchises who utilize a “one size fits all” method. Unlike national franchises, we provide a personal touch. A crew supervisor will be on site at all times during the cleaning process to ensure a thorough and complete job is performed on each visit

ECO-FRIENDLY

If you prefer, eco-friendly cleaning products are available upon request at no additional charge.

Let's Be Respectful With The Environment

CONTACT US

If you or your business is ever in need of commercial cleaning in MD, VA or DC, then contact us today to schedule a service. Select from either of the numbers provided and let us have your commercial office or space looking sharp and glistening like it's brand new again.
